Important Electronics Removal Information

1. All electronics must be staged on dock or at street level on skids/pallets and shrink/stretch wrapped. Capital Paper Recycling does not remove items from within the property.

2. A minimum of 1 hour is assessed to all electronic removal jobs. This fee is inclusive of only on-site loading of vehicle.

3. Loads of electronics are assessed a handling/sorting fee. This is specific to the separation of electronics at our facility.

4. Broken CRT monitors are considered Hazardous Materials and are not considered for electronics/universal waste disposal.

5. For large jobs (40 units or more) Capital Paper Recycling may visit site and a delivery fee and packaging materials fee will apply.

6. Pricing is based per item/unit and is specific. If item is misrepresented additional costs may apply.
